Welcome

from Carol & Dennis

Welcome to the 2nd edition of our quarterly newsletter. Summer is on its way and planning for all our events this year is well underway. Since our last bulletin we have supported the Ice Cube for 8 weeks in Millennium Square, seen the Half Marathon take to the streets of Leeds and The Specials rock Millennium Square as part of their 30th Anniversary Tour to name just a few events Venture are proud to have been involved in. What a great start to the season, here's to an exciting year of events to come!!

ISO 9001:2008 Accreditation

Since our last bulletin and following our audit we are pleased to announce that we successfully achieved ISO 9001 accreditation status. This will give our customers the confidence that we have quality management systems in place to ensure consistency and improvement, leading to high levels of performance and customer satisfaction whilst establishing Venture as one of the leaders in its field. For more information on what this means for Venture and our customers you can read our News Release on our website.

Take That & Oasis Concerts

The Stadium of Light, Sunderland is playing host to two of the most successful bands around. Take That will be performing on the 5th & 6th June and Oasis on the 10th June at the Stadium. This is something new for the stadium but ticket sales have proved that these are going to be events to remember in Sunderland. Venture will be providing all the medical management, medical, ambulance and first aid resources for all three concerts and we look forward to another great event. For more information on these concerts you can visit www.safconcerts.com

V Festival 2009

Venture have again been asked by SJM Concerts to provide all the medical management, medical, ambulance and first aid resources at this year's V festival, Weston Park, Staffordshire. The planning is well underway and with a excellent line-up announced including The Killers, Oasis, Razorlight, Snow Patrol, Lady GaGa and many more, it is hoped that the British weather will be on our side this year! For much more information visit www.vfestival.com

Special Guests at St John Ambulance Awards Night

It was with great pride and honour that both Dennis and myself were invited as special guests to the St John Ambulance Members Awards Night 2009. We were also there to show our support and gratitude at the dedication and commitment the members provide and also Venture were proud to be the sponsors of 3 special awards. One award in particular, The George Phillips Memorial Award which was in memory of George who sadly passed away last year. He will be missed by all who knew him. It was excellent to witness many of the members receiving awards for long service, special nomination awards for outstanding performance at a particular duty and many members receiving certificates for the number of hours they have contributed over the past 12 months, some of these included 1000 hours! Well done to all of the members on such a great achievement.

Future events to look forward to...

In the next few months we have some excellent events to look forward to, to name drop a few are:

- Take That & Oasis
- Bands in the Park
- Leeds 10k
- Breeze on Tour
- Opera & Party in the Park, Leeds
- V Festival
- Reggae & Leeds West Indian Carnival
- plus many more.

For more info on any of these events and to see what else is coming up please visit our website.

News Summary

You can now find Venture featured in The White Book on line. This is the essential A-Z directory for anything to do with events, you can find out more at www.whitebook.co.uk

Our new website is now up and running, this is updated on a regular basis keeping all our customers, old and new up to date! Don't forget to check out our picture gallery, you may be in there!!

.....and finally for the moment

We look forward to seeing you at the events over the next few months. Have a great summer, if we get one!
